60 Day Product Discontinuance Notification

Jan 22th, 2020

Dear Valued Customer,

A&D Weighing is dedicated to providing you with the highest quality support and communicating information regarding A&D products. As a part of A&D Weighing’s continuous improvement procedures, we periodically evaluate our product portfolio to optimize our product offerings. Based on this evaluation, we have discontinued our EK-EP series and replace it with a newer generation EK-AEP. The EK-EP products contained in this notification will no longer be available in the Americas and the availability of inventory is on a first come first serve basis and while supplies last.

Discontinued EK-EP Series Part No.

Discontinued EK-EP Series	Category	Capacity (g)	Readability (g)	Calibration
EK-300EP	Precision	300	0.01	External
EK-3000EP	Precision	3000	0.1	External
EK-12KEP	Precision	1200	1.0	External

We are offering equivalent replacement models in our new EK-AEP series which are available for purchase. Please call for lead times. The new AEP is equivalent in specification and function with the addition of an optional interface capability for end users that requires optical communication interface AD-1611 with cables to be purchased if desired in intrinsically safe environments.

Replacement Products EK-AEP:

OLD Discontinued EK-EP Series	NEW Replacement EK-AEP	Category	Capacity (g)	Readability (g)	Calibration
EK-300EP	EK-300AEP	Precision	300	0.01	External
EK-3000EP	EK-3000AEP	Precision	3000	0.1	External
EK-12KEP	EK-12KAEP	Precision	1200	1.0	External

Last time buy conditions:

The date for last order acceptance: **March 15th, 2020** or when total inventory is consumed by orders on a first come, first serve basis. If the inventory is no longer available AEP inventory maybe substituted as and equivalent product on PO’s. A&D Weighing appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are committed to giving advanced product notification to give you time to transition your stock and customers. If you have any questions, please contact your A&D representative or customer service at (800) 726-3364.

Sincerely,
Jennifer Block

Senior Product Manager Laboratory - Americas
