

Washdown Compact Scale

The HLWPF Series of compact digital scales are IP65 Rated. This allows for easy cleaning and eliminates concern over accidental exposure to wet environments. The HLWPF was designed to withstand the variety of harsh conditions found in commercial and industrial facilities.

Features

- Stainless Steel Construction for lightweight, durable product performance
- Stability Indicator to let you know when measurement integrity is in doubt
- Tare Function for easy resetting between measurements
- Multiple Weighing Units for maximum flexibility

Benefits

- Small Footprint (5 in square) to fit anywhere in your workplace
- Lightweight Portability to allow you to take the scale anywhere you need measurements
- Flexible Power options both battery and AC power options for your convenience
